

FAME CULTURE

But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light.

- 1 Peter 2:9 -

- AWARENESS -

The world is trying to tell you that you are somebody if you are famous. The Bible says that what you do matters because YOU matter. You are important because God made you important, not because the world says so.

- ACTION -

Speak life into yourself and others. You don't have to be like the world or look like the world. Push back against peer pressure that excludes because someone isn't popular (famous at their school).

- SHARE -

We can tell those who are consistently excluded that they are loved and important because God loves them.

- QUESTION -

Is there a friend who comes to mind that needs to hear that they are important? How can you show or tell them that they are important and that God loves them?
