IDENTITY

So God created mankind in his own image, in the image of God he created them; male and female he created them.

- AWARENESS -

Sometime the world tries to tell you who you are or your identity. Many times, they make decisions about you based on their own perspectives and tell you who you are supposed to be or how you are supposed to act. However, the Bible says that we are made in the Image of God. We reflect our Creator, and we get our identity from Him. As children of God, we are who God says we are: loved, accepted and His. We can have confidence in our Heavenly Father, who not only created us but loves us.

- ACTION -

As you go about your week, treat people with dignity and respect, regardless of how they treat you. We should honor the fact that every person we meet is created in the image of God, just like us.

- SHARE -

Look for opportunities with your friends and family to remind them that they are made in the image of God. If you see a friend treated poorly because of how they act or look, remind them that God not only loves them but made them. They can be confident in that truth that He made them perfect just the way they are.

- QUESTION -

There are times when the world tells us something negative about ourselves and times when we might say negative things about ourselves. These things are often not true and not from God. When this happens, how can you remind yourself that you are a child of God and that your identity is secure in Christ?
