

YOU have a part to PLAY

PARTNERING WITH PARENTS

LEADERSHIP

Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others.

- Philippians 2:3-4 -

- AWARENESS -

We have many leaders in our lives. Our parents lead us in our homes. Our teachers lead us in our classrooms. We have a leader for our country, a leader for city, and a leader for our church. Jesus set an example for us to lead other by being humble and respectful, by valuing others and their interests above our own. We won't always see those examples in the world, but we can lead well by serving others.

- ACTION -

Throughout this week you may be given many opportunities to lead others. Will you lead how the world says, by telling people what to do or will you lead by Jesus example by serving others and doing what's best for them. This week, look for opportunities to lead by serving others and putting their needs first.

- SHARE -

You can share Christ's love with others by serving them and putting them first. Every time we serve others and go against the way the world says to do something, we reflect the love of Christ towards others.

- QUESTION -

What can you do this week to lead through serving? This could be with your siblings, friends, or classmates.
